The Farmer's Tax Guide is now available for your use. Pick up a copy from our office. We will also have these available at the several banks for your convenience. You will find this a useful tool in preparing your 1979 tax return.

We also have a few copies of Publication 17, "Your Federal Income Tax." Pick up a copy if you would like.

* * *

"Alcohol can be manufactured from corn stalks and almost any vegetable matter capable of fermentation; grass, grain crops, weeds--even the garbage from our cities. We need never fear the exhaustion of our present fuel supplies so long as we can produce an annual crop of alcohol."

That is what Alexander Graham Bell said before a high school graduating class in Washington, D. C. in 1917.

* * *

Tobacco sales are closed for Christmas--here's how we stand compared to a year earlier:

Burley--1979, 10.9 mil pounds sold for an average of $142.81; in 1978, 12.6 mil pounds brought $130.91.

Fire-cured--1979, 869.9 thousand pounds, sold for an average $117.64; in 1978, 919.0 pounds brought $104.38.

Flue tobacco markets closed November 7. In 1979 102.8 mil pounds (Type 11) sold for an average of $143.33. In 1978, 117.0 mil pounds were sold for an average of $133.67."

Sun cured tobacco has averaged $92.40 this season as opposed to $92.09 a year ago.

* * *

If you have stockpiled fescue, better get on it and use it now. Waiting four to six weeks, you will see it begin to lose some of its quality and protein content.

* * *

Regardless of which plant you are grazing--alfalfa, fescue, orchard grass or red clover, always leave 2 to 3 inches of plant growth to protect the plants crown.

In winter months on wet soil, with frozen plants, careless management can damage plants.

* * *

If you are planning to enter college, come from a tobacco farm and plan to obtain a degree in Agriculture, you are eligible to compete for a $4000 college scholarship--$1,000 per year.

This is available from Elanco Products. Additional information will be available. If you are interested, we will see that you receive the necessary material.

* * *

Don't forget that the Senior bulls at Red House will be sold at noon January 26. They come off test January 9. If you have a need, why not stop by and see them being weighed on the morning of the 9th.

* * *

The Appomattox Cattlemen meet January 15 for a dinner meeting. You need to hear K. C. Williamson describe the new grading system that will probably be introduced in 1980 for feeder cattle. Call Jack Caldwell, President, 352-5445, if you plan to attend. All cattlemen are invited.

* * *

The Appomattox Dairymen meet Thursday, January 17. Harold Hughes will discuss alternate source of energy, an important subject with energy prices rising. Call Arthur Morris, President, 352-5293, and tell him to count you in. The Dairymen invite their wives for their dinner meetings and again all dairymen are invited.

*Please note: Each educational program offered by the Appomattox County Extension Service is open to anyone who wishes to attend.

Mayor and Town Manager speak at ACHS

Mayor Ronald Spiggle and Town Manager William Britton, Jr. spoke at the Career Assembly at Appomattox County High School on Wednesday, December 19, 1979.

The presentation was "Careers in Town and City Government". Each of our Appomattox officials included the duties and responsibilities of his position, the educational requirements, and the nature of the work. A question and answer period at the end of the presentation provided an opportunity to increase the students' knowledge of these two positions.

Approximately 300 students attended the assembly.

Shown above are Mayor Spiggle and Town Manager Britton discussing with Career Council members additional facts concerning their varied, comprehensive responsibilities. Seated, left to right, are Bridget Franklin, Linda St. John, Beverly Coleman, Laura Cowan, and Teri Nash. Standing, left to right, are Mayor Ronald Spiggle, Shavonne Johnson, Darlene Howard, Town Manager William Britton, Jr., Stephanie Ferguson, President of the Career Council; and Gina George.

The Career Council is sponsored by the ACHS Guidance Department.

Mt. Airy News

God so loved the world that he gave his only Begotten son, that who so ever believeth on him shall perish. But have everlasting life.

Sunday, Dec. 30 at 11 p.m. the usher board of Mt. Airy Baptist Church had wonderful program. This service was carried out beautifully. The master and mistresses of the ceremony were Mr. Alvin Booker, Deaconess Margaret Meggerison and Miss Veronica Humbles, who did a wonderful job.

The guest for the usher board was Rev. Charlie Lewis and Piney Grove Senior Choir.

Opening hymn by the choir, scripture by Miss Veronica Humbles, prayer by Deacon Elwood Christian.

The welcome was given by Mrs. Charlie Lewis. A hymn was sung by the choir, Heaven.

Introduction of guests was done by Deacon Herman Meggerison, and the sermon was conducted by Rev. Charlie Lewis, the First chapter of St John, subject: God Is With Us. A hymn was sung by guest choir "Turn It Over To Jesus".

Offering was collected by Deacon Edward McCoy and Deacon Elwood Christian.

Visiting Deacons included Deacon Millen, Deacon Richardson, Deacon Franklin and Deacon Douglas.

The offering was very good.

A beautiful hymn was sung by Mrs. Franklin, "I shall not be moved".

A prayer is offered for the sick and shut-in every where.

We wish to thank each and everyone who came out to help make this service a success.

As the old year goes out, and the new year comes in, let us pray a prayer for peace. Let us walk close to thee. Benediction was offered by Rev. Charlie Lewis. Closing hymn, "Blest be the Tie."

He was not the light but was sent to bear witness of that light.

To all my friends and relatives, I hope you had a Merry Christmas and a Happy New Year. I fully appreciate all the gifts, cards, and visits; an extra "Thank You" to my pastor, the Rev. Leonard, who brought me such a nice large print Bible.

Coflin completes Naval recruit training

Navy Seaman Recruit Joseph T. Coflin, son of Joseph Coflin of Route 1, Box 103A, Pamplin, Va., has completed recruit training at the Naval Training Center, Orlando, Fla.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in physical education and hygiene.

He joined the Navy in October 1979.
